## FUNDRAISING IDEAS

- Share your team's page far and wide - put it in your email signature, speak to your work contacts, friends and family.
- Organise a cake sale at work. Nobody can resist a delicious treat, so this is a great way of raising some money.
- Arrange a sweepstake.
- Set yourself a challenge such as a sponsored silence, run or head shave.
- Host a raffle. Ask your friends to help you source some prizes, then sell as many raffle tickets as you can.
- Simply ask everyone in your office to donate towards a great cause.
- Make QR codes for your JustGiving page and hand out at work events etc.

These are just a few ideas, but you can be as creative as you like! If you would like to discuss any ideas with us, please get in touch. Please note that a street collection licence must be obtained from your local authority for any collection in a public place.

## SECURING MATCH FUNDING

Some employers will offer to match whatever you raise for charity if provided with a letter from us to confirm your fundraising total. Why not approach them to see if they would be happy to support you? This is a great way to spread the word around your office while doubling your fundraising total.
